

## WORLD DAY FOR ASBESTOS VICTIMS April XXVIII Cup - First 'Oscar Juren' Memorial

### PROGRAMME

The April XXVIII Cup is a cultural and sporting event now in its third edition, and is organized by the EARA - European Asbestos Risks Association of Trieste, this year also in cooperation with Associazione Esposti Amianto section of Monfalcone ODV and Kulturno Društvo SKALA of Gabria/Gabrje (GO).

The trophy is dedicated to the victims of asbestos and this year's edition in memory of Oscar Juren (1939 - 2014), who passed away following a serious illness linked to asbestos exposure. He worked, between the 1980s and 1990s, at *Cotonificio Triestino* in Piedimonte (GO) as a maintenance worker, where pipes and systems in general, within the factory, were insulated with asbestos. Oscar Juren was also the president of 'SKALA Slovenian Recreational Cultural Club' in Gabria and member of the 'SKALA' men's choir as baritone for 20 years. As well as president, he was a tireless promoter of all the activities that led the club to become a coveted centre, both for cultural and sporting ones, having within it a structure dedicated to youth football approved and recognized by F.I.G.C. and CONI.

And it is precisely there that on the afternoon of Saturday 27 April 2024, with kick-off at 4.30 p.m., the April XXVIII Cup - First 'Oscar Juren' Memorial will be played, with a football match between *Sovodnje Veterans* and *Amici Poggio Terza Armata* teams, preceded at 4 p.m. by a press conference, which will be attended not only by representatives of the three associations, but also by public authorities invited to the event.

This will be followed, at the conclusion of the match, by the awarding of prizes to the participants and light refreshments at the host sports venue.

The President,  
Albano Marusic
